

Catalyst Three @ Ignition Park

460 Stull St
South Bend, IN 46601

GLC is expanding in Ignition Park and has hired Majority Builders to construct Catalyst Three, a new 84,000 SF office building. Located next to Notre Dame's Turbomachinery Facility and Catalyst One & Two, when complete, the property will be occupied by Press Ganey. Having broken ground in October 2019, the project is expected to be complete by February 2021.
